Dear Zoning Members:

Enclosed are the changes and additions to the Zoning Ordinance. Please make a comparison to the Zoning Ordinance you now have in your possession. You need to make sure the changes are in your book. If they are not, you need to attach the changes.

Also enclosed is a complete revision of the Naples Subdivision section. I have found the current section incomplete in addressing both the needs of the developers as well as the community. Please review and be prepared to discuss this at our next Zoning meeting, June 11, 1987, 8:00 PM at the Naples City Office.

Please review House Bill 72, which sets guidelines for residential facilities for the handicapped. Recommendations need to be made to the Council.

If you have questions, please call me at 789-9090.

Craig Blunt
Administrator
